

# Take on the new cycle of your career in Inbank

We are looking for **navision administrator** to join our team.

## ARE YOU THE ONE WE'RE LOOKING FOR?

You have an analytical, structured and practical mind as well as an understanding of complex financial scenarios. You love teamwork and are fun to work with. If you prefer smaller organisations, an international environment and friendly colleagues, then you are the one we are looking for.

## HOW WE'D LIKE YOU TO HELP US

- accounting Software NAV Management in Inbank Group: Account Management Plan
- updating and creating analytical views
- identifying and ordering development needs
- managing the consolidation process
- accounting for the subsidiary
- fixed asset accounting

## WHAT WE'D LIKE TO SEE IN THE CANDIDATE

- you take responsibility
- you are eager to tackle new challenges and learn
- you have experience in Navision
- you have 2+ years of experience as an accountant
- you are fluent in Estonian and English
- you have technical acumen and independence
- you are a friendly person

## COMPENSATION AND PERKS

- we offer highly competitive salaries and benefits packages, negotiable based on your experience and skill level
- you'll get to work flexible hours and enjoy a fully stocked kitchen in our cosy, modern office in Kalamaja, the trendiest part of town. We're also open to remote working options
- we're agile and have a high-performance development culture and plenty of start-up spirit.
